The Mentorship Project: diversity as a source of enrichment

with **UniPD mentors** and **Andrea Gerosa**

The project Mentorship was created thanks to the support of the the Ministry of the Interior, the Ministry for Universities and Research (MUR), the International Organisation for Migration (IOM) and the Conference of Italian University Rectors (CRUI). Two objectives and two main actions: supporting students with a migration background both in university and everyday life and promoting their inclusion in the local community.

Discover with UniPD mentors and Prof. Andrea Gerosa, all the activities carried out and planned for the future.
