

3rd edition Colloquium on Romance Linguistics. Foto: ARQUS

ARQUS is an alliance of nine European universities, bringing together students and scholars from Bergen (Norway), Granada (Spain), Graz (Austria), Leipzig (Germany), Lyon (France), Minho (Portugal), Padua (Italy), Vilnius (Lithuania) and Wrocław (Poland).

The ARQUS Colloquium on Romance Linguistics is an initiative of the ARQUS International Forum on Romance Studies. The first two editions of the colloquium were organised in 2021/22 by the University of Graz (Austria).
