

STATUS QUO Arqus Talent Scholarship Fund – 2nd call (master's students)

The Arqus Talent Scholarship Fund is a scholarship scheme designed to attract and retain talent at postgraduate level from around the world. The scholarship is composed of a subsistence allowance of 1,400.00€/month to cover the student's living costs, medical insurance and a materials allowance.

In addition, the Arqus Talent Scholarship will cover the tuition fee at the student's entrance university.

The Arqus European University Alliance would also like to support students with fewer opportunities under this scholarship scheme by providing a special needs fund of 250€/month.

Priority will be given to refugees/asylum seekers, students with fewer opportunities and applicants with a Bachelor's or Master's degree not obtained at the Arqus university where they will undertake the Master's or doctoral studies or where they are currently enrolled.

The scholarship will be paid throughout the student's studies with the following **maximum duration** but not beyond the end of the funding period of this scholarship scheme, which is 30.09.2026:

- 1 Master students: according to the regular duration of the chosen Master's programme (maximum 12, 18 or 24 months).
- 2 Doctoral students: maximum 36 months.

The start of the scholarship is **dependent** on admission to the degree programme.
