

Summer School 2024 - University of Padua

SPEAKER INFORMATION

Personal Information	Dorothea Braun dbraun@informatik.uni-leipzig.de +49 341 97-32206
Job position University and/or Business company	Quality manager of teaching and study programs for the faculty of mathematics and computer science, Leipzig University, Germany
Professional Bio (max 400 characters – spaces included)	Dorothea is a certified systemic coach with a 12+ years expertise in academic staff development, educating and supporting teaching staff of various faculties and on multiple academic levels. She focuses on supporting the academic staff in implementing their teaching ideas from vision to teaching reality and on designing individual evaluation techniques to enable teaching development.
Title of the workshop	The Take Home Package
Short Abstract (max 400 characters – spaces included)	In this workshop, we will summarize our learning outcomes and create personal action plans to bring back into our work environments. Our take-home package will be based on each participant's individual take-away from this summer school. We will consider all respective teaching conditions and create space for conversation, collaboration, consultation as well as reflection and exchange.
