

Bridges to build: fostering synergies within and among members of EUTOPIA in health

Bálint Markó, Babeş-Bolyai University - EUTOPIA

Funded by
the European Union

Established in 2019,
EUTOPIA is an alliance
of **ten** European
universities, and **six**
Global partners
committed to
developing a new
model for integrated
higher education
institutions through
transnational
cooperation.

EUTOPIA Alliance

Challenges we all are facing when it comes to research:

- should we replace already existing ties with new ones?
- how to connect researchers to initiatives of the alliances?
- differences in institutional cultures
- should there be any dedicated structure within the alliance?
- Erasmus as a mechanism?
