

Programme

 **Online session:** Tuesday, 6 May (10:00 - 12:00) and Tuesday, 24 June (09:00 -12:00)

Physical activities in Lyon, France (5 days)

 Université Lyon 1 - campus La Doua - 43 Bd du 11 novembre 1918, 69100 Villeurbanne

Monday, 2 June 2025

Afternoon session
14:00 - 18:00

Registration - Opening conference
Welcome buffet

Tuesday, 3 June 2025

Morning session
09:00 - 12:00

Training on coordination chemistry and metal-organic materials

Afternoon session
13:30 - 17:00

Training on application of metal-organic materials

Evening
18:00 - 20:00

Poster session

Wednesday, 4 June 2025

Morning session
09:00 - 12:00

Training on spectroscopic methods and metal-organic materials

Afternoon session
13:30 - 17:00

Training on optical properties of metal-organic materials

Thursday, 5 June 2025

Morning session
09:00 - 12:00

Training on magnetism of metal-organic materials

Afternoon session
13:30 - 17:00

Training on crystallographic method apply to metal-organic materials

Friday, 6 June 2025

Morning session
09:00 - 12:00

Brainstorming
